frequently asked questions

Who are School Milk Services and what do you do?

We are a local business who have been working in partnership with Schools and Local Education Authorities since 2001 to deliver fresh milk to children across the South West.

When do I need to start paying for my child's milk?

Once your child turns 5. All children are entitled to free school milk until their 5th birthday - funded by the Department of Health under the Nursery Milk Scheme. After their 5th birthday, you can pay for subsidised milk.

How much does it cost?

It costs less than £2 per week* to receive a 189ml carton of milk at the morning break period - paid on a termly or full year basis.

*price is subject to change

Can I only register online?

No, if you need to, you can register over the phone on 01934 510950, but creating an account ensures all details are entered correctly and allows you to keep up to date and make payments online.

Do I still have to pay if my child receives free school meals?

No, if your child receives benefit related free school meals, the school can cover this cost for you if they offer milk as part of the free school meals. You will need to speak with the school directly to arrange this.

Do you offer dairy free alternatives?

Unfortunately, at the time of writing, we are unable to supply a dairy free alternative.
